

# 3D Reference Caliper

## **Project Goal**

Create a tool to quick sort different screws length.

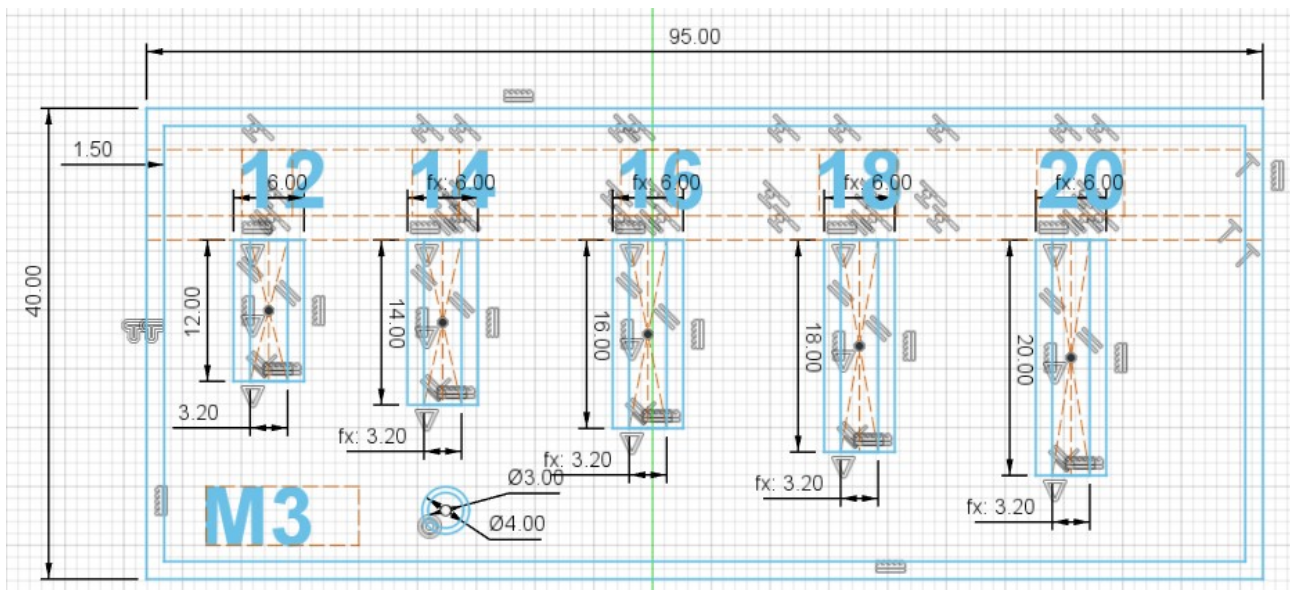

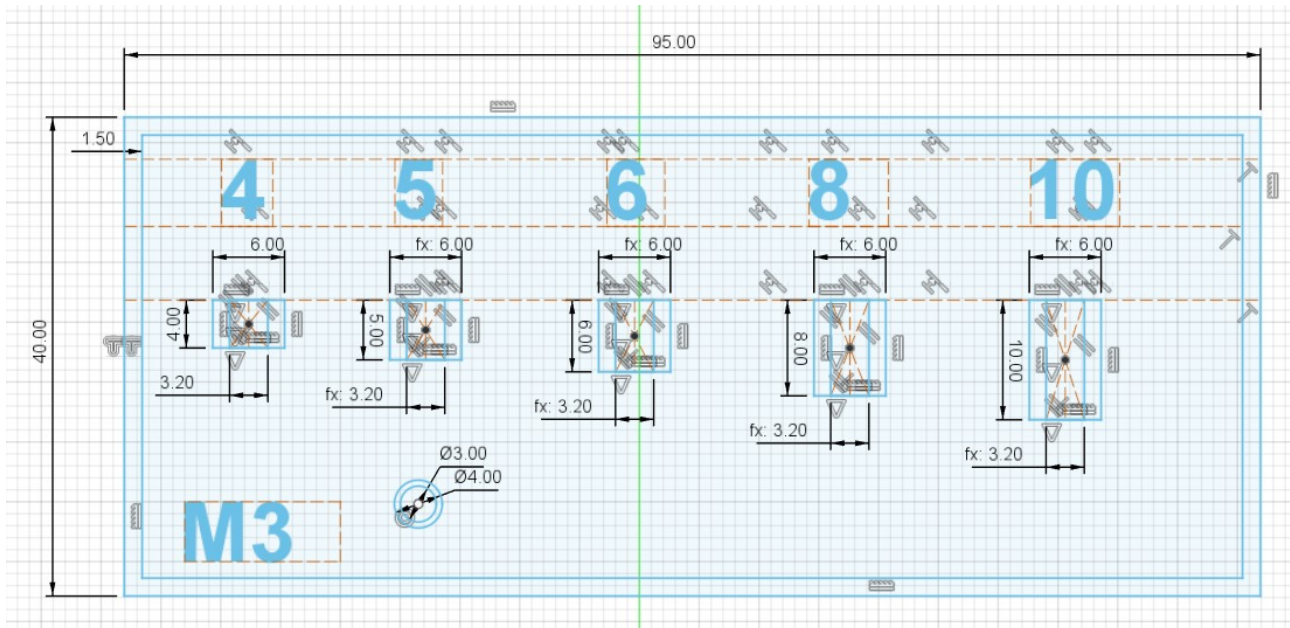

This should be available for M3 / M4 / M5

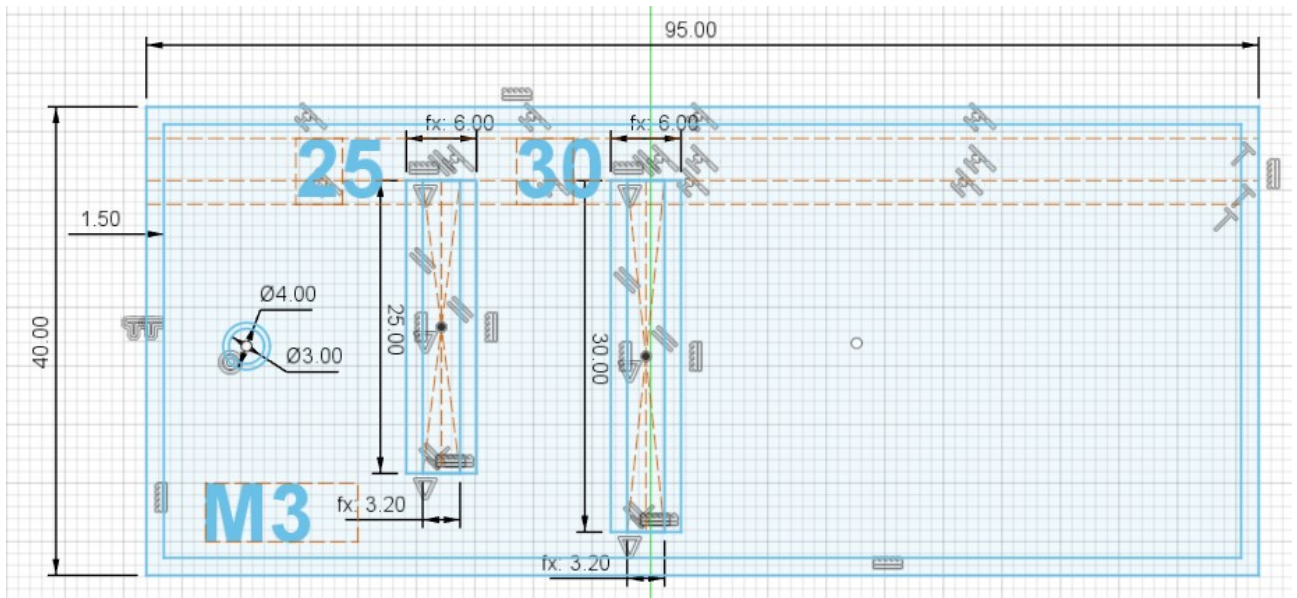

# M3 Collection

Developing the tool I decided that it is better to split into 3 parts:

- 4, 5, 6, 8, 10
- 12, 14, 16, 18, 20,
- 25, 30

## Sketch

## Final Result

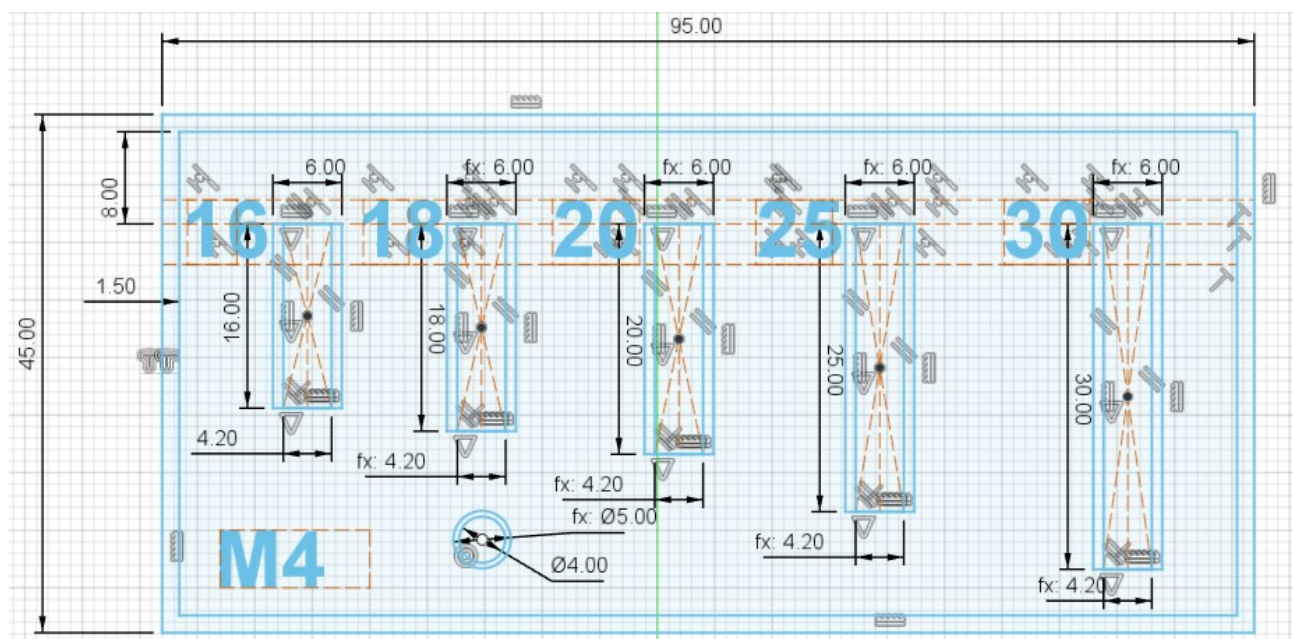

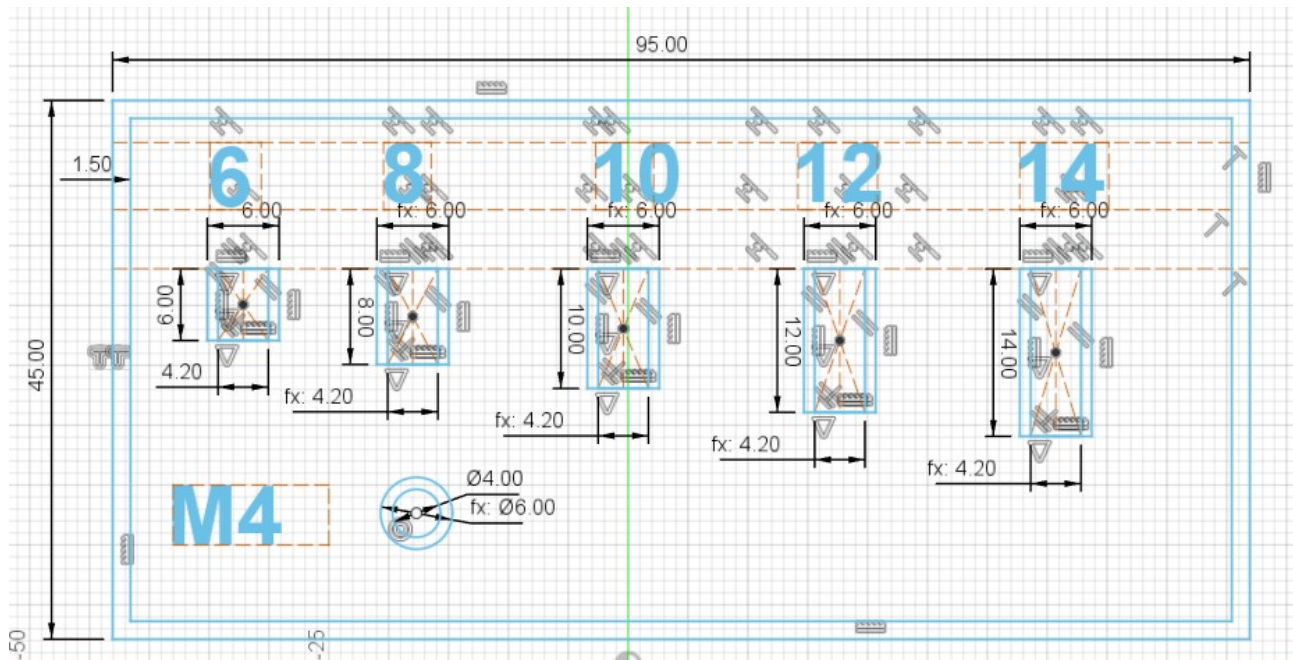

# M4 Collection

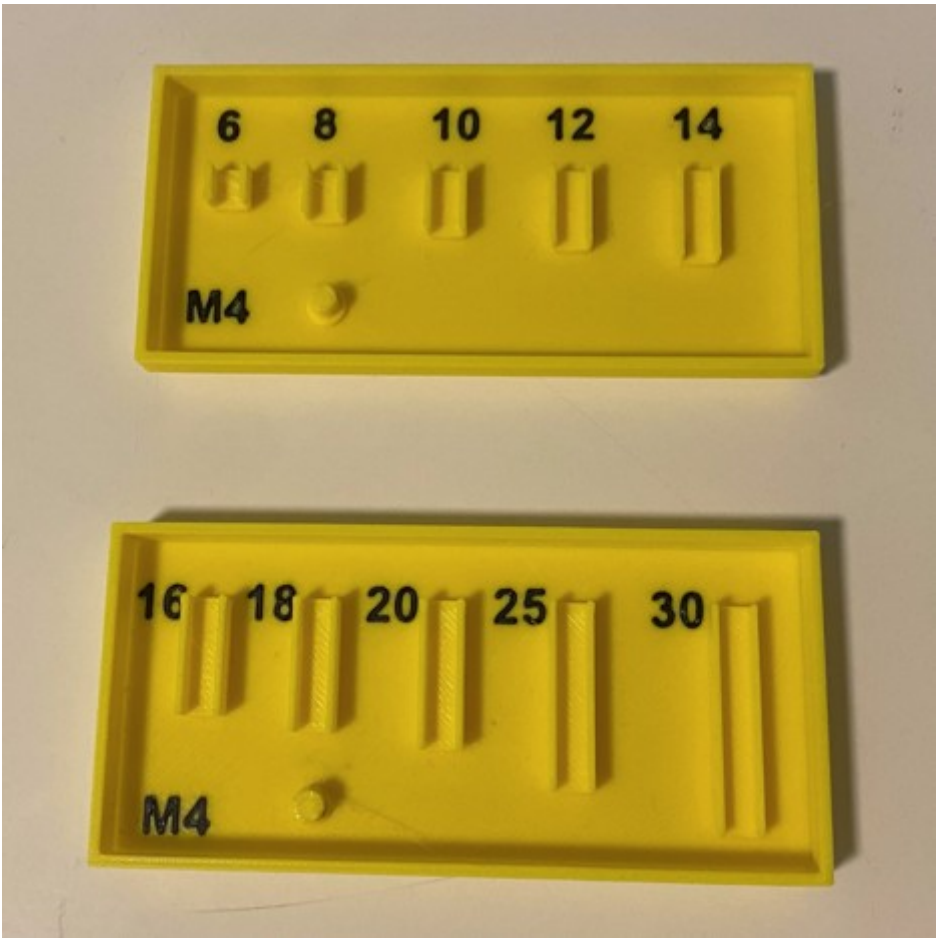

Developing the tool I decided that it is better to split into 2 parts:

- 6, 8, 10, 12, 14
- 16, 18, 20, 25, 30

## Sketch

Final Result

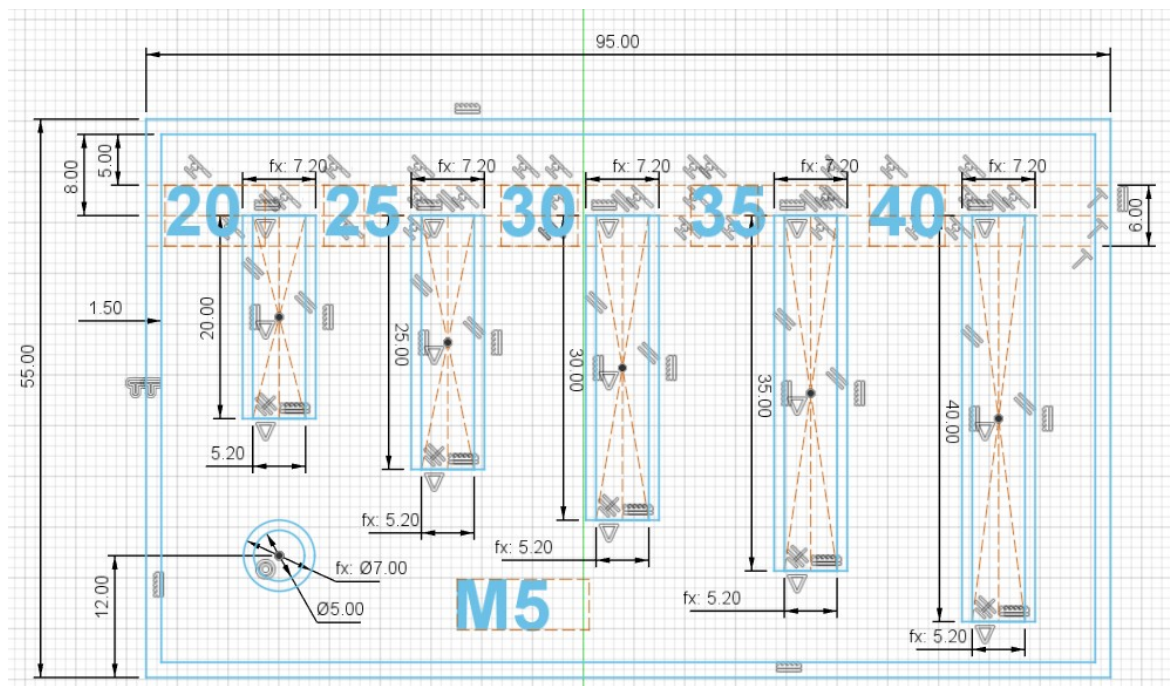

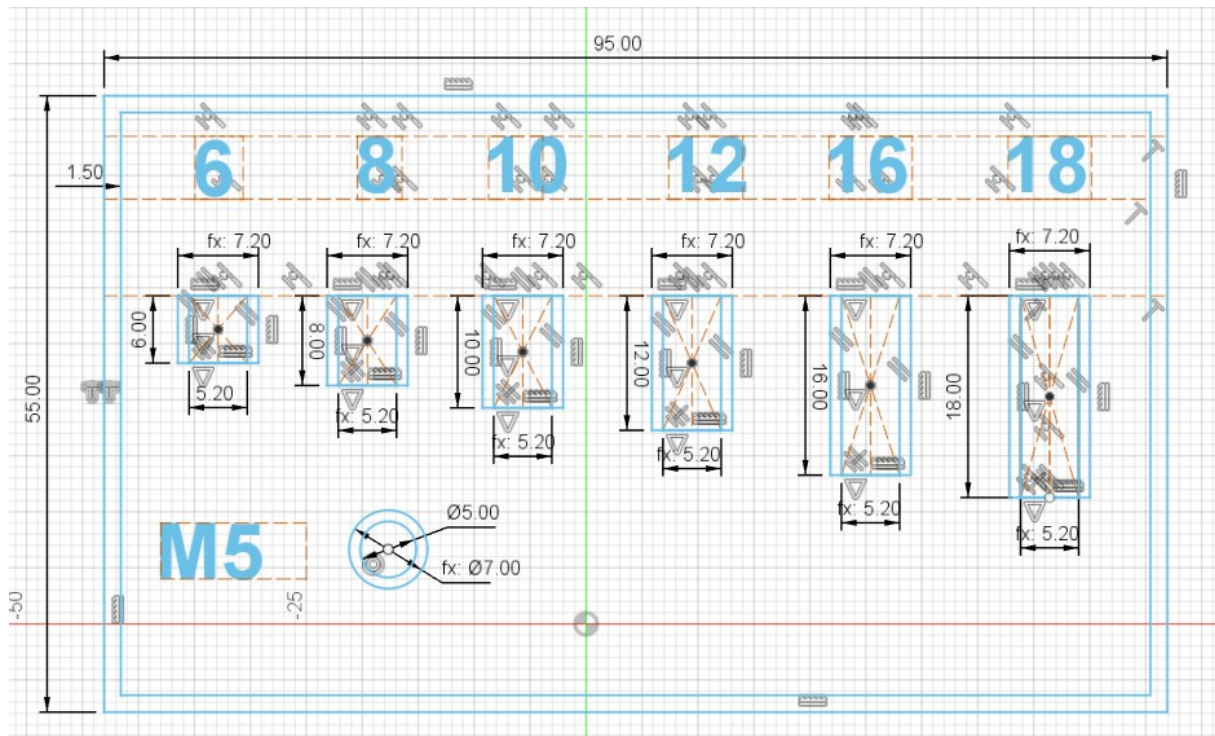

# M5 Collection

Developing the tool I decided that it is better to split into 2 parts:

- 6, 8, 10, 12, 16, 18,
- 20, 25, 30, 35, 40

## Sketch

Final result
